

Operational Hazards and Physical Limitations

You are a pilot capable of flying day or night. You probably weren't taught how to reduce the risks associated with flying during the hours of darkness. Learn more about operational hazards and physical limitations pertaining to night flying.

Directions: EAA Pilot Proficiency Center

AirVenture 2016

Venue location: Four Corners (Knapp Street & Celebration Way)

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
